

Financial disclosures

In accordance with the ACCME's Standards for Commercial Support of Continuing Medical Education, all faculty and planning partners must disclose any relevant financial relationship(s) or other relationship(s) held within the past 12 months. Any person who has control over course content must disclose his or her relevant financial relationships to the learners.

AGA staff and all other individuals involved with the planning and delivering the content disclosed no relevant financial relationships.

A complete list of disclosures can also be found online at agau.gastro.org.
