

How to place DDSEP 9 on the home screen of your mobile device for quick and easy access for Android devices.

Log into AGA University (<https://agau.gastro.org>) and click the “My Courses” link to launch DDSEP 9.

Once DDSEP 9 platform is launched, tap the menu button and tap “Add to Home Screen”. This will add an icon to your home screen so you can quickly access the website. Note: the default wording is “On Demand and Books”. Our recommendation is to rename the title to “DDSEP 9”.

1. Tap the menu button.

2. Tap “Add to Home Screen”.
