How to place DDSEP 9 on the home screen of your mobile device for quick and easy access for iOS devices.

Log into AGA University (https://agau.gastro.org) and click the "My Courses" link to launch DDSEP 9.

Once DDSEP 9 platform is launched, click the "action" menu in the Safari browser (the icon at the bottom center of Safari that looks like a box with an arrow coming out).

Next, scroll / swipe bottom menu and tap "Add to Home Screen" icon. This will add an icon to your home screen so you can quickly access the website. Note: the default wording is "On Demand and Books". Our recommendation is to rename the title to "DDSEP 9".

1. Click the "action" menu icon.   2. Scroll bottom menu & tap "Add to Home Screen".
