SUNDAY, JULY 16
6:45am - 10:30am
Registration Open
7:00am - 8:00am
Continental Breakfast
8:00am - 9:15am
Pharmacogenomics: Current Status and Appropriate Use
Activity Type: Knowledge
ACPE Number: 0798-999-17-159-L05-P
1.25 contact hours / 0.125 CEUs
Speaker:
Michele Beckwith
Vice President
PTC Laboratories
Learning Objectives:
1. Provide a brief overview of Cytochrome P450 system, transporter proteins and binding sites.
2. Explain current scientifically supported clinical uses of PGx testing
3. Describe the current and emerging tools for clinical prescribing decision support based on PGx information.
The learning objectives apply to both pharmacists and pharmacy technicians.

9:15am - 10:30am
Chronic Heart Failure Management: A Geriatric Perspective
Activity Type: Application
ACPE Number: 0798-999-17-159-L01-P
1.25 contact hours / 0.125 CEUs
Speaker:
Antoine Jenkins, PharmD, BCPS
Clinical Associate Professor
Chicago State University College of Pharmacy
Learning Objectives:
1. Compare and contrast therapeutic recommendations from nationally published guidelines regarding chronic HF management.
2. Discuss newer therapies specifically indicated for chronic HF treatment and their potential role in the elderly.
3. Describe unique circumstances faced by the geriatric HF patient.
4. Design an appropriate pharmacotherapeutic plan for the geriatric HF patient.
The learning objectives apply to both pharmacists and pharmacy technicians.

10:30am - 10:45am
Break
10:45am - 11:45am
New Drug Approvals From 2016-2017
Activity Type: Knowledge
ACPE Number: 0798-999-17-160-L01-P
1.25 contact hours / 0.125 CEUs
Speaker:
Samuel Gurevitz, PharmD, CGP
Associate Professor
Midwestern University College of Pharmacy
Learning Objectives:
1. Discuss the clinical Indications, MOAs and dosages of Medications approved from June 2016 through June 2017.
2. Recognize the clinically relevant drug interactions, common adverse effects, monitoring parameters, contraindications and precautions.
3. Compare and contrast to other members of the therapeutic class.
The learning objectives apply to both pharmacists and pharmacy technicians.

ELECTRONIC SESSION HANDOUTS
To lessen our carbon footprint, this year’s session handouts will be on our website: ascp.com/midwest
Handouts will be available online and can be accessed before, during, and after the meeting.
